Kramer s Revelation
{Wikipedia poem}

Kramer comments on how suspicious George and Jerry's meeting arrangements are. Kramer and Elaine run into her friend Dan and his friends, who tell them they are going to the rally to protest O'Brien. Since this is his first public appearance, none of them knows what he looks like. Kramer recognizes the name from Jerry's instructions, and suspects Jerry of leading a [[double life]] as Donald O'Brien, stating him as the Chief of the Aryan Union and spsuspecting George too as knowing together with Jerry who killed Kennedy.
