

On a track

Felix Rian Constantinescu

I understand now after 31 years of reading
That the Duke and the King are the American
Freemasonry Political Parties so read H.F.
And you'll be edified of their Klanic ways

But as Rachel Corrie wrote before razored out
Like a piece of Damascus that it's out of place
Life is not this way everywhere in the world
Primitive Slavery Yeomen Burgeois Humane.
